**THE NEWFOUNDLAND
FOUNDATION, INC.**

About the Speakers.

Mfon and Faith Cyrus-David are a beloved couple who committed their lives to Jesus Christ as teenagers. They also met and fell in love in 1984 during their undergraduate medical education in the University of Port Harcourt, Nigeria. They married in 1990, shortly after their graduation, are blessed with four daughters—Idara, Deborah, Joanna and Precious. Mfon has been an ordained minister, a conference speaker on Christian Life, Marriage and Relationship Enhancement since 1995. He is an expert in Pharmaceutical Medicine (Medical Affairs) and Faith is an Attending Physician and a Specialist in Family Medicine, Geriatrics and Palliative Medicine, and practices in Houston, TX. They've known and loved each other for 36 years, being married for 29 of these.

The Purpose

The purpose of this conference is to work in conjunction with the Holy Spirit to first assess where we are as individuals (i.e. both personally and relationally), and then to gain a better understanding of each other as spouses, God's expectations of us, and how to meet these expectations in order to be more matrimonially fulfilled.

Learning Objectives

Accordingly, our objectives are as follows.

- ◆ To assess our personal (i.e. spirit, souls and body) and relational (i.e. the important relationships) states.
- ◆ To enhance our understanding of the uniqueness of men and women in a marriage context.
- ◆ To enhance our understanding of God's guidance on how marriage should be conducted.
- ◆ To attain a better knowledge on how to love one's spouse.
- ◆ To acquire and/or enhance our conflict resolution skills.
